FOR CROSSING THE DIFFERENCE DIVIDE

Join us for a series of unique 3 Practices workshops sponsored by the Office of the Chancellor where you will observe and engage with instructors and community members to quickly learn a set of principles and skills to engage in respectful conversation on a range of difficult subjects.

3 Practices workshops provide a path for understanding different ways of thinking, problem-solving, culture-building, and addressing organization & community climate concerns. For more information and details on our speakers see [3Practices.com](http://3Practices.com).

I'LL BE UNUSUALLY INTERESTED IN OTHERS.
